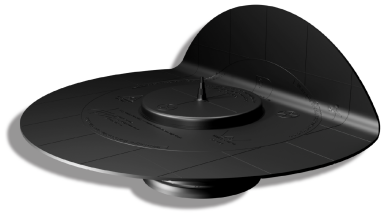
THE ORIGINAL LINEAR DRAIN THE ORIGINAL

100Flex



FlexiFlange, the first and only deemed to satisfy compliant flexible floor flange

FlexiFlange: Revolutionizing compliant waterproofing and drainage installations. This patented flexible leak control flange is the first of its kind to achieve both NCC Deemed to Satisfy and Watermark certification. Australian Made and Designed by Stormtech, FlexiFlange allows installers to bend the flange up the wall, ensuring a perfect, leak-proof seal and maintaining the required adhesion area, even in tight spaces. Compatible with DN100 pipe and all Stormtech drainage outlets.

Compatible with PVC, sheet and liquid membranes (excluding bitumen)

Code 100Flex

Range Accessories

Category Components
