Grates longer than 1500mm supplied in sections. Tile Inserts longer than 1200mm supplied in sections. Channels over 3000mm supplied in sections with joiner. +/-2mm tolerance on dimensions.

Stormtech 130SDi Single Slot Drain: Seamless Drainage for Modern Landscapes

Discrete 10mm opening, for a virtually invisible integration with outdoor surfaces. Suits pavers up to 25mm in thickness.
Achieve a clean, uninterrupted surface while effectively managing water runoff.
Inspection points placed over each outlet, to suit a square floor waste or clear out for easy maintenance.
Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.

STORMTECH COLOUR FINISHES

Stainless Steel Electropolished

Electroplate finishes subject to natural variation with time and local environment. Factors such as pools/surf beaches may require electropolishing. Contact us for suitability.

PRODUCT APPLICATIONS

Balcony Drainage
Commercial Drainage
Courtyard / Patio Drainage
